To Whom it May Concern:

As the Senior Vice-President of Contracts and Procurement for the Housing Authority of the City of Atlanta, Georgia (Atlanta Housing), I enthusiastically provide this letter of recommendation for Interstate Professional Group Inc or (IPG) for Real Estate Appraisal Services. My recommendation is based on an ongoing, years-long established business relationship between IPG and Atlanta Housing.

Most recently, Interstate Professional Group Inc. and Atlanta Housing entered into a Basic Ordering Agreement for as needed and on-demand Real Estate Appraisal Services. Atlanta Housing contacted IPG with a time sensitive request for Real Estate Appraisal Services for the following:

Single-Family Residences and Vacant Lots.  
Small Residential Income Properties (Two/Three/Four Units).  
Review Appraisal Services with respect to third party-commissioned appraisals of Atlanta Housing property falling into any of the above categories:

Raw Vacant Land.  
Commercial/Industrial Property.  
Review Appraisal Services with respect to third party-commissioned appraisals of AHA property falling into any of the above categories.

Multifamily (Unrestricted).  
Multifamily (Restricted/Subsidized).  
Mixed Used (Residential/Retail) (both restricted and unrestricted).  
Review Appraisal Services with respect to third party-commissioned appraisals of AHA property falling into any of the above categories and Business Valuation.

Kaylyn Scott Williams, as the President of IPG, along with the designated administrative staffing of professionals provided quality Real Estate Appraisal Services in a timely manner with professionalism, prioritization of customer service and diligent precautions regarding the handling of confidential information.

Informed by the foregoing mutually beneficial business experience of IPG and Atlanta Housing, I reiterate my enthusiastic letter of recommendation for the Professional Real Estate Appraisal Services delivered by IPG.

Sincerely
